

Teammate grading form

In the spaces below please fill in letter grades (A+, A, B+,..., F) for each of your group project teammates *and yourself* in random order and very briefly explain why you are giving them that grade. This should be anonymous, so please do not indicate who you are in any way. No one wants to know. ;)

Group number or name: KA group

Name	Grade (A+ to F)	Explanation
Angela	A+	She was the group leader, always initiated everything and was very nice and helpful all throughout. She also helped me a lot personally and polished a lot of the work.
Kate/Ekaterina	A+	She had the most ideas on what to do and also the one who suggested our group scenario, which we ended up using. She also helped out with the group report a lot.
Harin	B+	She mostly completed her own role and work and sometimes helped out with the group.
Seoyeon	C	She was hard to reach at times as she didnt read the groupchat. And her work was mostly late.
