

# Teammate grading form

In the spaces below please fill in letter grades (A+, A, B+, ..., F) for each of your group project teammates *and yourself* in random order and very briefly explain why you are giving them that grade. This should be anonymous, so please do not indicate who you are in any way. No one wants to know. ;)

Group number or name: Bubble Che

Name	Grade (A+ to F)	Explanation
Suorab Varvara	A	Was very active, cared about everybody. Proposed scenario and made a big part in group report.
Camryn Foppe	B+	Very pleasant communication, did her work nice.
Vanesa Mayana	B	Very active, but it felt she doesn't really care and it was just strange cooperation.
Kristina Danilenko	B+	Despite personal difficulties made good contribution in the end.
Alix Hegewald	B	I personally think the quality of her work was not very good.
