

# Teammate grading form

In the spaces below please fill in letter grades (A+, A, B+,..., F) for each of your group project teammates *and yourself* in random order and very briefly explain why you are giving them that grade. This should be anonymous, so please do not indicate who you are in any way. No one wants to know. ;)

Group number or name: Team IKK

Name	Grade (A+ to F)	Explanation
Ikhyun Jo	A+	Played major role in selecting the scenario. Contributed many good ideas. As the team member who can do Python, made a particularly significant contribution in creating tables.
Chaewon Hwang	A+	Gathered team member's opinions well, and despite a busy schedule, put in effort until the early hours of the morning for the project.
Sojeong Moon	A+	Gave many detailed opinions regarding scenario selection in team meetings. Completed assigned part without delay and meticulously revised the specific details in the team report.
Eunchae Hong	A+	Did a great job structuring the group report. Was quick to accept feedback on other members and on her own walkthrough, which helped prevent mistakes within the team.
