

Teammate grading form

In the spaces below please fill in letter grades (A+, A, B+,..., F) for each of your group project teammates *and yourself* in random order and very briefly explain why you are giving them that grade. This should be anonymous, so please do not indicate who you are in any way. No one wants to know. ;)

Group number or name: Group B

Name	Grade (A+ to F)	Explanation
송현근	D	Had an online real-time meeting once, but didn't participate. Regardless of the reason, I felt like he did not put much time and effort into this group project since a real-time meeting was held only one time. Also, he did not provide any feedback on the group report and did not check the group messages regularly.
김시현	A	Worked well with the group members and managed her part within the group report.
이승준	A+	Checked the group messages quickly, provided useful answers, and answered the questions that were needed to write the group reports faithfully.
이채린	A+	Checked group messages quickly, made useful suggestions, and provided detailed feedbacks on the finalized group report.
이윤서	A	Successfully wrote her part of the group report based on what was dealt during the online real-time meeting, but did not check group messages quickly from time to time.
