

Teammate Grading Form

In the spaces below please fill in letter grades (A+, A, B+,..., F) for each of your group project teammates and yourself in random order and very briefly explain why you are giving them that grade. This should be anonymous, so please do not indicate who you are in any way. No one wants to know. ;)

Group number or name : **GROUP B**

Name	Grade (A+ to F)	Explanation
Hyungeun Song	C+	Contributed the least by far. It felt like he was making excuses to participate less. He did not take part in the brainstorming process or group meeting, and was dormant in the group chat.
Chaelin Lee	A+	Lead the group project. She gave helpful feedback and was active in the group chat.
Seungjun Lee	A+	Organized the work of 5 people into a single file. He swiftly responded to issues and questions raised, and actively solved problems.
Sihyeon Kim	A+	Lead the group project. She gave helpful feedback and was active in the group chat.
Yoonseo Lee	A+	Provided the base idea of the group's scenario. She was relatively less communicative, but there's no issue in giving this grade.
