

Teammate grading form

In the spaces below please fill in letter grades (A+, A, B+, ..., F) for each of your group project teammates *and yourself* in random order and very briefly explain why you are giving them that grade. This should be anonymous, so please do not indicate who you are in any way. No one wants to know. :)

Group number or name: team23

Name	Grade (A+ to F)	Explanation
Jiho Han	A+	She described scenario appropriate for testing 5 platforms with clear rationale. Also, she conducted overall report coherence review and final integrated editing
Gaye Lee	A+	She restructured individual platform findings into contrast framework, citing specific metrics, cases to integrate into coherent group level argument
Seongju Jo	A+	She analyzed platform trade-offs across usability and data availability axes, explaining contextual reasons for score differences with evidence-based rationale
Hyeona Kim	A+	She evaluated platform usefulness variations by purpose and user context (especially context-dependence) with well-reasoned evidence, proposing optimal choices per situation
Minji Kim	A+	She identified specific gaps in current development data infrastructure and thoughtfully articulated vision for improvement toward ideal system design
