

# Teammate grading form

In the spaces below please fill in letter grades (A+, A, B+,..., F) for each of your group project teammates *and yourself* in random order and very briefly explain why you are giving them that grade. This should be anonymous, so please do not indicate who you are in any way. No one wants to know. ;)

**Group number or name:** Group K (정인영, 이예은, Katherine)

Name	Grade (A+ to F)	Explanation
정인영	A+	인영 led the activity of making a scenario. She scheduled the flow of work. Also, she wrote the draft of final assignment with her teammate 예은.
이예은	A+	예은 led the activity of allocating the data platform. She asked some questions to the professor so that we are able to not be confused. Also, she wrote the draft of final assignment with 인영
Katherine	A	Katherine checked the draft and tried to make sure that there are no errors. She was sometimes late in sharing each summary or production.
