

# Teammate grading form

In the spaces below please fill in letter grades (A+, A, B+, ..., F) for each of your group project teammates and yourself in random order and very briefly explain why you are giving them that grade. This should be anonymous, so please do not indicate who you are in any way. No one wants to know. ;)

**Group number or name: Group B**

Name	Grade (A+ to F)	Explanation
Yoonseo Lee	A	Took the initiative to create the group chat and start communication among teammates who did not know each other well at the beginning of the project. Continued to show a decent level of participation throughout the project and actively contributed during online meetings as well.
Hyungeun Song	B+	Rather than taking a highly proactive role, consistently completed assigned tasks responsibly and reliably. Was unable to attend the online meeting sessions.
Seungjun Lee	A	Consistently checked messages quickly and provided detailed feedback throughout the project, helping the team continuously review and refine the project direction. Also volunteered to compile and submit the final report.
Chaelin Lee	A+	The most actively engaged member overall. Although participation was relatively limited during the early stages of the project, later took a leading role in discussions and feedback sessions. Made significant contributions by providing detailed comments and feedback on the shared document, and was considered one of the biggest contributors to the project.
Sihyeon Kim	A+	long with Chaelin, played a central role in leading the overall project. Took responsibility for much of the practical coordination work, including creating shared documents,

		scheduling meetings, and organizing team opinions and feedback. Also actively facilitated online meetings and helped summarize and coordinate discussions throughout the project.
