

# Teammate grading form

In the spaces below please fill in letter grades (A+, A, B+, ..., F) for each of your group project teammates *and yourself* in random order and very briefly explain why you are giving them that grade. This should be anonymous, so please do not indicate who you are in any way. No one wants to know. ;)

**Group number or name: Anai's Group**

Ju young Heo	A	Successfully completed his assigned section but participated very little during the topic selection process. Comments were mainly provided after the topic had already been finalized.
