

Teammate grading form

In the spaces below please fill in letter grades (A+, A, B+,..., F) for each of your group project teammates *and yourself* in random order and very briefly explain why you are giving them that grade. This should be anonymous, so please do not indicate who you are in any way. No one wants to know. ;)

Overall comment		It was one of the smoothest group assignment I had to do. Everyone put forward their ideas, contributed to the group paper.
