

Teammate grading form

In the spaces below please fill in letter grades (A+, A, B+,..., F) for each of your group project teammates *and yourself* in random order and very briefly explain why you are giving them that grade. This should be anonymous, so please do not indicate who you are in any way. No one wants to know. ;)

Group number or name: Dong Hee Kim's Group

Name	Grade (A+ to F)	Explanation
Donghee kim	A+	Donghee Kim did do the great job in helping and organizing the scenario making process. He did come up with great ideas and do the good job in testing the IATI CDFD platform. When he did not understand, he asked and help the group recognize the gap while doing the work. He also did well in summarizing and writing for the introduction and scenario, methodology for the group report as well.
Darius Noel Herrmann	A+	Darius contributing alot for the scenario background and the motivation for the scenario which is neccessary for guiding the team to right path. He also understands the scenario well and the method to do the walkthrough assignment so he was really helpful when the team was struggling with the assignment in individual walkthrough and flowchart design. On the other hand, Darius did really well in summarizing for the strengths part of the group report and finalizing the report.
LY PHUNG THANH	A+	Thanh taking the lead for the team who come up with the first education scenario and help the team building the concrete on that scenario and making the scenario become perfect. Thanh also help the team organizing the meeting and did the great job in his IATI platform walkthrough, help the team recognize the gap while they were doing the flowchart. He also comeup with the table of content and the ideal platform suggesting part, in which helping the team achieving the goals and deadlines of this project.
Heebin Son	A+	Heebin contributing alot while making the scenario process, in which her idea help the team get to the right track of the scenario and she also did the great job in findings the answer for the scenario via OECD platform. She also did well in the Evaluation part in the group project and help the team finishing the final report.
Heejai Lee	A+	Heejai although come up late in the group but he also contributing the ideas and help the team realize the gap in the scenario and making the scenario become clearer. He also understanding the assignment and help the team fixing the final report structure which make it match with the assignment conditions. In the final report he also help the team finalizing the report and did great job in examine the weaknesses part.
