

Teammate grading form

In the spaces below please fill in letter grades (A+, A, B+,..., F) for each of your group project teammates and *yourself* in random order and very briefly explain why you are giving them that grade. This should be anonymous, so please do not indicate who you are in any way. No one wants to know. ;)

Group number or name: Alina's Group

Name	Grade (A+ to F)	Explanation
Marjorie Alixant	A+	She made a strong contribution when preparing the group summary paper. She actively helped collect and organise the group's ideas, and her effort made the final paper more coherent and complete.
Min Kyung Kim	A+	He contributed significantly to finding the project topic and conducting the research. In particular, although the group initially tried to use AIDA, he showed great effort and flexibility by switching to D-Portal when relevant data could not be found.
Alina Schwarz	A+	She worked hard during the writing process of the group summary paper. She helped bring together different parts of the group's work and contributed to making the content well organised.
Sofia Lorenzo	A+	She contributed greatly to finding the project topic. Her active effort in the early stage helped the group narrow down the direction of the project and move forward more effectively.
