

Teammate grading form

In the spaces below please fill in letter grades (A+, A, B+,..., F) for each of your group project teammates *and yourself* in random order and very briefly explain why you are giving them that grade. This should be anonymous, so please do not indicate who you are in any way. No one wants to know. ;)

Group number or name: The Sunflowers

| Name | Grade (A+ to F) | Explanation |
|--------------------|-----------------|--|
| Hanbit Park | A+ | Was great at helping us coordinate, always ready to make the group chat links, and was really good at helping to organize the initial outline for us to consolidate our work on the essay. |
| Martin Rambor | A+ | Did a really good job of exploring their own resource, and did a deep dive into the functions of their database. Had a lot of comments regarding their tool which was helpful for the assignment |
| Vu Thi Phuong Thao | A+ | Was great at preparing her materials for the assignment and worked hard on making sure her parts were well written and flowed well with the writing structure of the group. Always joined meetings and contributed despite being really busy with other commitments. |
| Nour Abu Ismail | A+ | Did a good job of putting the building blocks for the essay by building upon the outline and making it easier for everyone to insert their parts in. Also had a lot of ideas, like the dashboard as a potential solution. |
