

Teammate grading form

In the spaces below please fill in letter grades (A+, A, B+,..., F) for each of your group project teammates *and yourself* in random order and very briefly explain why you are giving them that grade. This should be anonymous, so please do not indicate who you are in any way. No one wants to know. ;)

Group number or name: Dong Hee's group

Name	Grade (A+ to F)	Explanation
PHUNG THANH LY	A+	Thanh deserves special praise for being one of the most active members, consistently reminding the group of their tasks in a proactive manner and has done a lot of preparatory work
Dong Hee Kim	A	Dong Hee has always been helpful and has consistently played an active role in group work. He was a big help with organization and communication (e.g., setting up groups or online conferences)
Heebin Son	A	She actively participated in all meetings and discussions and shared her preparatory work with everyone well in advance. She was particularly active in the beginning and took notes on our ideas, which ultimately helped shape our final scenario.
Heejai Lee	A	Heejai Lee missed a lot of the early stages because he joined the group late. However, he actively participated in the group work and completed all tasks in a timely manner.
Darius Noel Herrmann	A	Like the others, Darius always actively participated in the group discussions and was always eager to help with any clarification questions
