

Teammate grading form

In the spaces below please fill in letter grades (A+, A, B+, ..., F) for each of your group project teammates *and yourself* in random order and very briefly explain why you are giving them that grade. This should be anonymous, so please do not indicate who you are in any way. No one wants to know. ;)

Group number or name: Anai's group

Name	Grade (A+ to F)	Explanation
Jooyoung Jun	A+	Jooyoung was consistently proactive throughout the project, regularly providing valuable insights and guidance. Her initiative and dedication to the team's success offered valuable practical support to our progress.
Anai Ramos	B	Although Anai was the team leader, frequent communication gaps occasionally caused delays in the decision-making process. Despite these coordination challenges, she ensured that all final tasks were completed smoothly and without major issues.
Luis Tarazona	A	Luis demonstrated excellent listening skills by actively integrating feedback from his team members into his work. He was exceptionally responsive, promptly implementing any requested changes.
Juyoung Heo	C	Juyoung had difficulty communicating and missed agreed-upon deadlines for the group report, which undermined the team's trust. His disengagement was especially evident during the crucial phase of choosing our project topic.
Go Dohui	A+	Dohui assumed a leadership role in the team, advancing the project by consistently proposing innovative ideas and directions. She responded promptly to all communications, swiftly incorporated feedback, and proactively supported team members with any challenges they encountered.
